

## Brooks Foundation Community Partnership Program

You are invited to join the Brooks Elementary School Foundation Community Partnership Program for the 2021-22 school year! The Brooks Foundation is trying something new. Our goal is to cultivate and maintain year-round relationships with our supporters and sponsors, with the aim of hosting a Spring Benefit Party each year. In the past, we have had party-only sponsors, but we are transitioning to an annual sponsorship program as our Foundation aims to grow and expand. Our community partnership program will contribute to the success of each Brooks Elementary student and teacher, and spotlight businesses in our community.
