

Brooks Foundation Pledge Card - 2022-23 School Year

The Brooks Foundation is a nonprofit whose mission - the sole purpose - is to fund additional teachers, support staff, and programs at Brooks that are not funded by the county and state.

This school year, Foundation donations are funding TWO positions who work with our children every day! Brooks would not have these positions without the Foundation funds.

There will always be gaps in public school funding. The Foundation helps turn that critical funding need into an opportunity for our school...an opportunity to provide additional teachers and staff at Brooks, and give our children not just the education they need, but the education they deserve.

**The Brooks Foundation 2022-23 School Year Fundraising Goal is
\$30,000**

We accept Cash/Check/Paypal Donations.

Please make checks payable to **Brooks Elementary School Foundation** and return to the front office with this form.
