

# Brooks Foundation Community Partnership Program

You are invited to join the Brooks Elementary School Foundation Community Partnership Program for the 2023-2024 school year! Our goal is to cultivate and maintain year-round relationships with our supporters and sponsors. We need your help to GROW! Our annual sponsorship opportunity will highlight your business/family, as well as contribute to the success of each Brooks Museum Magnet Elementary School teacher and student. As we continue to GROW, so do our fundraising goals! Help us exceed these goals and make Brooks even more magical! THANK YOU!
